SKILLS & COMPETENCIES

- Interprofessional Team Building
- Pharmacist Based Clinical Service Building
 - Project Management
- Teaching and Presentations
 - Data Analysis and Writing
 - Policy and Advocacy
 - Patient Centered Care
 - Outcomes Based Research
- Mentoring and Career Coaching

ACADEMIC BACKGROUND

UNIVERSITY OF TENNESSEE

Executive Master of Business Administration, Expected Graduation December 2021

- Knoxville, Tennessee
- Concentration in Healthcare Leadership
- Organizational Action Project-"Effect of Employee Engagement on Productivity and Cost of Turnover"

SHENANDOAH UNIVERSITY

Community Pharmacy Practice Residency, 2008

- Leesburg, Virginia
- Leesburg Pharmacy
- Shenandoah University School of Education Teaching Certificate Program

UNIVERSITY OF MISSISSIPPI

Doctor of Pharmacy, 2007

- University, MS

UNIVERSITY OF MISSISSIPPI

Bachelor of Science, Pharmaceutical Sciences, 2005

- University, MS

PROFESSIONAL EXPERIENCE

VICE PRESIDENT OF CLINICAL OPERATIONS

Compwell, 2021-Present

- Conceptualized the service as outsourced Chronic Care Management for primary care providers with co-founder.
- Designed all marketing materials.
- Distilled evidenced-based clinical guidelines into patient friendly algorithmic questionnaires deployed to care coordinators to facilitate meaningful relationships and interventions with those enrolled
- Sales and contract negotiation with potential clients
- Design and implementation of on-site training program for all new clinics
- Maintain account management including resolving patient, provider and billing challenges
- Designed new employee training program for clinician, care coordinator, screener and scheduling staff including in-service programming
- Transitioned workplace to 100% work from home including HIPAA compliant, encrypted messaging, file storage, video training, billing compliance, patient interactions
- Worked closely with c-suite and employee stakeholders to design and implement workplace wellness program for mid-size self-insured employer
- Assessed implementation needs, data metrics and population-based health goals tied to payment for Accountable Care Organization client

OLIVE BRANCH FAMILY MEDICAL CENTER

Clinical Pharmacy Specialist, Diabetes Educator, 2017-2019

- Provided medication optimization and helped design the Intensive Diabetes Management Program
- Billed Incident to visits for Medicare Part D assistance, women's health assessments, obesity management, smoking cessation, and cardiovascular health counseling
- Helped optimize Chronic Care Management and Annual Wellness Visit processes
- Provided individual and group DSME classes, tracked outcomes and provided outcomes for accreditation to AADE, DSME Site Director
- Presented pilot project results to members of North Mississippi pod of family medicine physicians and ACO members

MIKE'S PHARMACY

Co-owner, 2016-2019

- Provided DSME classes and community engagement, DSME Site Director
- Marketed compounding services
- Provided all immunization clinics and engaged community partners
- Executed proposal with corporate clients for flu clinics, lipid, glucose, BMI and smoking screenings and analysis of health related costs to the employer

STAR RX

Chief Clinical Officer, 2014-2016

- Provided quality and STARS rating consulting for 44 independent pharmacies across Mississippi, Tennessee, Arkansas and Missouri
- Performed outsourced Medication Therapy Management services
- Provided on site immunization and health screening clinics for employer groups

UNIVERSITY OF MISSISSIPPI SCHOOL OF PHARMACY

Clinical Assistant Professor of Pharmacy Practice, 2009-2014

- Course Director for PY2 Clinical Skills Lab
- Community Pharmacy Residency Site Director (secured grant funding for position)
- Designed the construction of a new Skills Lab renovation within Faser Hall (after site visits to the best in other SOPs in US)
- Participated in committee appointments, hiring search committees, research and service
- Mentored students in their practice based research project
- Introduced OSCE assessments
- Practiced within the Mississippi Delta Medication Management Project (diabetes and asthma MTM both clinic and pharmacy)

SHENANDOAH UNIVERSITY

Assistant Professor of Pharmacy Practice, 2008-2009

- Course director for OTC course
- Designed practice based communication assessments
- Practice site within progressive community pharmacy practice site
- Research centered around health literacy and patient counseling
- Lectured for pharmacy, nursing and physician assistant students

CLINICAL PHARMACY PRACTICE EXPERIENCE

COMPWELL, COLLIERVILLE, TENNESSEE

Vice President of Clinical Operations, 2019-Present

- Annual Wellness Visits, Chronic Care Management, Remote Patient Monitoring, Diabetes Prevention Program
- Clinical algorithm alignment to updated clinical guidelines based on ICD-10 codes
- Internal and external clinic staff training
- Quality improvement and in-service management and scheduling
- Management of enrollment statistics and attrition rates per Clinician, Care Coordinator, Facility and trend monitoring

OLIVE BRANCH FAMILY MEDICAL CENTER, OLIVE BRANCH, MISSISSIPPI

Clinical Pharmacy Specialist and Diabetes Educator, 2017-2019

- Provided DSME classes and community engagement
- Provided direct patient care for reimbursable services for intensive obesity management education, CVD education, smoking cessation, medication optimization, Medicare Part D plan options, prior authorization assistance, women's health
- Obtained \$15,000 grant funding to begin Diabetes Prevention Program from Novo Nordisk Farm to Doorstep program
- Participated with Care Management, FNP, MA, CEO and clinic management to design and present results of Intensive Diabetes Management project for patients with A1c over 9%

MIKE'S PHARMACY, OLIVE BRANCH, MISSISSIPPI

Co-owner and Clinical Pharmacist, 2016-2019

- Provided MTM services, in store and community immunization clinics, partnered with corporate client for immunization and health screening events
- Performed compounding consultations and marketing to physician clinics
- Completed PCCA Women's Health Certificate Program

STAR RX, COLDWATER, MISSISSIPPI

Chief Clinical Officer, 2014-2016

- Completed MTM cases for both Mirixa and Outcomes services including CMR and TIPs for 44 pharmacies across Tennessee, Mississippi, Missouri and Arkansas
- Marketed for all new accounts
- Provided flu and health screenings on site for employers and corporate clients
- Performed billing, accounting, payroll and tax services

FUNDERBURK'S PHARMACY, HERNANDO, MISSISSIPPI

Clinical Assistant Professor of Pharmacy Practice, 2010-2014

- Provided immunizations within the pharmacy and at community contracted events
- Hosted Medicare Part D re-enrollment events
- Provided health fairs, HIV screenings, A1c and lipid screenings
- Obtained collaborative practice agreements for pharmacist initiation and management of medication in asthma and diabetes patients from 2 MDs and 2 FNPs and studied the impact on A1c goal attainment versus usual approach
- Precepted pharmacy students and community pharmacy resident site director

MISSISSIPPI DELTA PATIENT MANAGEMENT PROJECT, MISSISSIPPI DELTA REGION

Clinical Assistant Professor of Pharmacy Practice, 2009-2012

- Provided implementation of MTM for generalized CMR, diabetes and asthma patients, point of care lab testing
- Coordinated prescriber outreach and engagement for buy in for medication adjustments and awareness of program
- Community service and health fair events
- Funderburk's Pharmacy (Hernando, MS) 2010-2012
- The Medicine Shoppe (Olive Branch, MS) 2010-2011
- Kroger Pharmacy (Batesville, MS) 2009-2010

LEESBURG PHARMACY

Assistant Professor of Pharmacy Practice, 2008-2009

- Provided community based health screenings (lipid, A1c, BG, BP, BMI, waist circumference, bone mineral density, body fat analysis)
- Precepted students from 3 schools of pharmacy
- Provided community outreach lectures to independent living residents, assisted living staff, and other community groups
- Provided medical device training (CGM, insulin pump, glucometer, inhalers, injectable pens, etc)
- Assisted in compounding and long term care pharmacies
